REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:
2. The prior art of record does not teach or suggest the claimed invention.

Specifically, Miyazaki does not disclose the second monomer of the claimed invention and further does not teach a liquid in direct contact with said film as required by the claimed invention. With respect to WO '417 and Fujiwara it is noted that said references do not teach or suggest the second monomer of the claimed invention. Accordingly, the claims are allowable over the art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
